Ceci est un produit complémentaire de notre  
« Méthode anglais enfant N°1 ».

Retrouvez tous ces mots d'anglais au sein d'histoires entièrement en anglais, racontées en chansons. Ces chansons ne contiennent QUE ces mots appris par l'enfant pour lui assurer une compréhension totale de ce qu'il chante. Ces mots sont appris progressivement au rythme de 5 à 12 nouveaux mots par leçon.

Retrouvez également des exercices écrits n'utilisant que ces mots. Il s'agit de colorier, d'entourer, de barrer, de relier, bref, des activités que l'enfant connaît bien pour vérifier sa bonne compréhension des nouveaux mots appris.

Pour finir retrouvez des jeux à imprimer tels que des loto, des dominos ou des jeux de l'oie permettant la réutilisation des mots appris par la manipulation et par la remise dans le contexte.

**Bon apprentissage à vous !**
